

Statement of Proposal

Manawatū District Council Food Act 2014 Fees and Charges

1 Introduction

This statement of proposal has been prepared to fulfil the requirements of section 83 of the Local Government Act 2002 and section 205(2) of the Food Act 2014.

The Food Act 2014 requires food premises to operate under a Food Control Plan and has associated fee setting requirements for food premises registration, verification and monitoring and compliance activities.

The Food Act 2014 provides the Council with the ability to fix fees to recover the direct and indirect costs of Council's functions under the Act. Council is proposing to set fees to recover these costs.

Prior to fixing fees under the Food Act 2014, the Council is required to consult on the proposed fees using the special consultative procedure of the Local Government Act 2002.

2 Background

The Council performs the following functions under the Food Act 2014:

Registration

Receiving and processing of applications for registration of food businesses.

Verification

Undertaking verification activities for those premises operating under a Food Control Plan

Compliance and Monitoring activities

Undertaking compliance and monitoring activities across the district.

The Council reviews its fees and charges annually. Any proposal for changes to these fees is required to be consulted on using the Special Consultative Procedure, prior to adoption by Council.

3 Proposal

The Council's fees and charges for 2019-20 under section 205 of the Food Act 2014 have been reviewed to ensure alignment with the Council's Revenue and Financing Policy and Long Term Plan 2018-28. The Council's Revenue and Financing Policy determines the basis used to calculate the level of fees and charges needed to recover costs.

The proposed fees and charges have been adjusted by inflation and rounded to the nearest dollar to ensure recovery of costs incurred. The adjusted fees are proposed to apply from 1 July 2019
