Dear Wendy

PROPOSED PLAN CHANGE 55 – SECTION 42A OFFICER REPORT

Further to our email correspondence with respect to the above, on behalf of Progressive Enterprises Limited I can advise that, while it is disappointed with the officer recommendation in the section 42a report that no change be made to the current sign provisions to better recognise supermarket signage requirements, it has decided not to attend the hearing scheduled for the 5th to 7th December 2016.

I would appreciate it if you could advise the Hearings Committee accordingly.

Should you wish to discuss the matter further do not hesitate to contact me.

Yours faithfully
Zomac Planning Solutions Limited
